_____ copies of the 10th Edition of the **Uniform System of Accounts** at a cost of £65.00 each (£75.00 non members) excluding postage

The most recent edition of the USALI addressed the current industry trends, which emerged since the 9th edition was published in 1996. Some of the evolving issues which were addressed by the 10th edition included how to deal with condo hotels, reporting for internet wholesales, and resort fees, which seems to have particular relevance in this day and age of ala carte pricing which the airline industry has recently adopted.
